Complaints of Faulty Telephones

*190. SHRI O. P. KOHLI: Will the Minister of COMMUNICATIONS be pleased to state:

(a) whether there is a general grouse among the telephone subscribers that their repeated fault rectification complaints are not attended to by the Mahanagar Telephone Nigam Limited, particularly by its junior staff;

(b) if so, whether Government propose to effect periodic transfer of the junior staff of the Mahanagar Telephone Nigam Limited from one district to another so that any vested interests do not develop; and

(c) if not, the manner in which this grievance of the telephone subscribers is proposed to be remedied?

THE MINISTER OF STATE OF THE MINISTRY OF COMMUNICATIONS (SHRI SUKH RAM): (a) Sir, complaints of subscribers are being given due attention. An independent agency engaged by DOT in 1993-94 to assess the quality of telephone service has found that 95.2% of the subscribers surveyed in Mumbai and 87.1% in Delhi have opined that the overall service is satisfactory or better.

(b) The junior staff (Group 'C' and 'D') are being transferred from one exchange to another within the same city in the interest of service wherever deemed necessary.

(c) Although telephone services in MTNL are satisfactory, continuous efforts are being made for bringing further improvement by way of closer monitoring and supervision.

Counter Guarantee for Foreign-Owned Power Projects

*191. SHRI PARMESHWAR KUMAR AGARWALLA:

SHRI YERRA NARAYANASWAMY:

Will the Minister of POWER be pleased to state:

(a) whether Government's attention has been drawn to the news item in the 'Hindustan Times' of 13th July, 1994 captioned "Foreign Owned Power Projects —States' poor record of repayments";

(b) if so, the specific considerations, including technical and financial viability,
